[Declaration of Disaster #3165, Amdt. #1]

State of Louisiana

As a result of the President's major disaster declaration on April 9, 1999 for Public Assistance only for Bossier Parish, and an amendment thereto on April 12 adding Individual Assistance for Bossier and Caddo Parishes in the State of Louisiana, I find that the above Parishes constitute a disaster area as a result of damages caused by severe storms, tornadoes, and flooding that occurred on April 3-7, 1999. This amendment supercedes SBA's existing Administrative disaster declaration to comply with the requirements of a major declaration by the President. Applications for loans for physical damages may be filed until the close of business on June 7, 1999.

In addition, applications for economic injury loans from small businesses located in the following contiguous counties or parishes may be filed until the specified date at the previously designated location: Bienville, DeSoto, Red River, and Webster Parishes in Louisiana; Lafayette and Miller Counties in Arkansas; and Cass, Harrison, Marion, and Panola Counties in Texas.

The economic injury numbers are 9C1600 for Louisiana, 9C1700 for Arkansas, and 9C4900 for Texas.

All other information remains the same, i.e., the deadline for filing applications for economic injury is January 7, 2000.
